The Science Of LashesMD[®]

EYELASH SERUM: LashesMD is a clinically proven advanced eyelash and eyebrow conditioner that contains a powerful revitalizing complex which gets to the root of the problem of thinning lashes and brows. Our unique formulation is enriched with peptides and natural plant extracts, which help to condition and protect delicate lashes. Healthy lashes are strengthened to resist damage caused by make-up removal, eyelash curlers and the environment which can cause loss and breakage. Lashes are fortified to appear healthier and more youthful-looking, even without makeup.

USE: This eyelash serum should be applied once daily at bedtime. Carefully use the eyeliner brush to apply a small amount of the product just above your upper and lower eyelashes and/or the eyebrow, slightly touching them at the root area. Avoid contact with the eye itself, although there are no ingredients in the product that should cause eye irritation. Should irritation occur, irrigate eye with water and discontinue use.

The Benefits of SymPeptide[®] XLash

Return Policy

VIAS Partners offers a reasonable return policy. If you are dissatisfied with any product purchased, you may return the item(s) for a refund or exchange within 30 days of placing the order. A prior return authorization (RA) is required and must be done within 30 days of VIAS Partners shipping the product. To receive an RA number, please contact Customer Service at customerservice@lashesmd.com. The product must be received by VIAS within 10 days of VIAS Partners issuing the RA number. Return acceptance is subject to compliance with this policy. Please allow up to two weeks for the return to be processed, at which time a refund or exchange will be made. For the entire return policy, please refer to your sales representative or LashesMD order form. If returning an item(s), you must include the following in order to receive a refund or exchange: 1) All products being returned; 2) All product packaging and your purchase receipt; 3) All marketing materials associated with LashesMD; and 4) All gifts with purchase associated with the purchase of the items being returned. All returns are subject to a 20% restocking fee. To ensure your returns are received by Vias Partners, please make sure to add insurance to your parcels through your preferred mail delivery service.
