## 2

### Create an Account /New Customer

If you are a NEW Henry Schein Customer, Skip the Account Number Section

- A. Create a user ID and Password
- B. Click **Submit**
- C. Enter the Shipping and Billing Account Information which will be used by Henry Schein to verify the account internally
- D. Click **Submit** and you'll be allowed to enter into your Online Account.

**PLEASE NOTE:** For ALL new Online Accounts, Henry Schein Medical must verify the validity of the setup request to protect against fraudulent activity. This verification process typically takes 2-3 Business Days. If you place an order before the Account is verified, the order will remain in "Pend Status" and not release until the verification process is complete. If you have an urgent order that you need filled immediately, please call your Sales Consultant or if you are a NEW customer, then call our Medical Order Entry Team at 800-772-4346. (8am-8:30pm ET)

The screenshot displays a multi-step account creation form. It is divided into several sections: LOGIN, CONTACT INFORMATION, SHIPPING ADDRESS, and BILLING ADDRESS. A yellow rectangular box highlights the main form area. Red arrows with letters A, B, C, and D indicate the sequence of steps: A points to the LOGIN section, B points to the SUBMIT button at the bottom of the CONTACT INFORMATION section, C points to the SHIPPING ADDRESS section, and D points to the SUBMIT button at the bottom of the BILLING ADDRESS section. The form includes fields for user ID, password, contact details, shipping address, and billing preferences.
